

CITY OF KENNESAW
REQUEST FOR BIDS
“Data Services”

The City of Kennesaw is accepting sealed bids at the City Clerk's Office, 2529 J.O. Stephenson Avenue, Kennesaw, GA 30144 for the purpose of procuring data services to conduct normal business operations and to allow for expansion of the data network to speeds of 1 Gigabit with the ability to increase bandwidth as needed. The City is seeking a single provider to design, engineer, install, train, maintain and provide ongoing assistance for the City of Kennesaw's Wide Area Network (WAN). All bids must be placed in a sealed envelope and clearly marked **“Data Services RFP”** on the outside of the sealed bid and received by 3:00 PM on Wednesday, January 7, 2015. Bids received after the deadline will not be considered. Bids will be opened January 7, 2015 at 3:00 PM in the City Hall Training Room. Bids shall be good for a period of ninety (90) days from the opening of the bid. The City reserves the right to waive any informalities or technicalities relative to any or all bids or proposals and to request any additional information or clarification deemed necessary for the evaluation of any bid or proposal. Bid packets with the scope of work for this project can be requested by email from the City Clerk at dctaylor@kennesaw-ga.gov.
